

## 2017 Application for U S Figure Skating Tests

**Please use Entrveeze to register for test sessions.** Go to <http://comp.entrvreeze.com/Membership/Welcome.aspx?cid=125>. At the top left of the screen, click on the blue box that says "non-member" registration. (Do not set up or log into your Entrveeze account, even if you have one.) On the next page, select the test session you want and select standard, adult, or masters. On the next page fill in the information and select the test(s) you are requesting. Payment methods are similar to most e-commerce sites. If you use this preferred method you do not need to contact the Test Chair or send an application by mail. Notices and schedules will go out via email to the registered skater and their coach. Schedules will also be published on the OSC website, <http://oregonskating.org>, several days prior to the test. For figure tests contact the club's test chair. Once the application deadline has passed there are **NO REFUNDS** unless the skater cannot be accommodated on a selected test session.

There will be more frequent test sessions scheduled for 2017. Each test session will be limited in duration, usually about 2 hours. If there isn't adequate time to schedule all requested tests the later applicants will be bumped to the next local test session. The test chair will e-mail the applicant and coach notifying them of the change. If acceptable the applicant will have scheduling priority on that test session. They do not need to re-apply for the test; the Test Chair will make the rescheduling changes in Entry-eeze. If the applicant has an issue with that test session they may choose to be bumped to another later test session of their choice. If none of the upcoming test sessions is acceptable the applicant may request a refund.

**The backup system is the previous method of filling out this form and mailing it to the HOST club's test chair with a check made out to the host skating club's name spelled out in full.** Please print legibly. Applications must be received on or before the deadline date.
